

## CAWS Proposals Review Procedure

- March 1: Deadline to submit proposals.
  - Applicants will be requested to provide names of potential reviewers external to Purdue University with whom no conflict of interest exists with the PI and Co--PIs.
- March 15-April 1: Review panel assembly
  - Reviewers will be invited to serve as a virtual panel.
  - Each proposal will be assigned two reviewers.
- April 1-May 1: Review of submissions and compilation of scores
- May 1-May 30: Virtual panel discussion (if needed)
- June 1: Successful proposals will be funded based on scores and discussion between reviewers. Awardees will receive notification; all applicants receive scores and reviewer feedback.
  
- Proposal evaluation criteria: (see <http://vet.purdue.edu/CAWS/> for the detailed scoring sheet)
  - Aims and significance
  - Approach
  - Innovation/creativity
  - Metrics and measurement of impact
  - Interdisciplinary team approach
  - Leverage of other funding sources/potential to attract other funds
  - Capacity building with collaborators external to Purdue University
  - Elements of training/engaging young professionals in interdisciplinary research
