### UNITED WAY – WE MATTER!

We are coming down to the last week of Purdue's United Way Campaign.

Thank you to those who have turned in their UW pledge cards. This is also a gentle reminder for those who have not...we have until November 8 to complete the card and submit it. Please complete the card whether you are making a pledge or not. If you have lost your card and need a new one, please let me know.

At last count, PU has obtained 87% of their goal.

I thank you and the community thanks you.
