Center for Animal Welfare Science

Our Mission: To promote animal welfare through science-based information and education to advance socially responsible decisions concerning animal care.

Our Goal: To facilitate interdisciplinary collaborations in order to identify animal welfare challenges, strategies to alleviate them, and education to aid implementation.

Purdue University is an equal access/equal opportunity/affirmative action university.

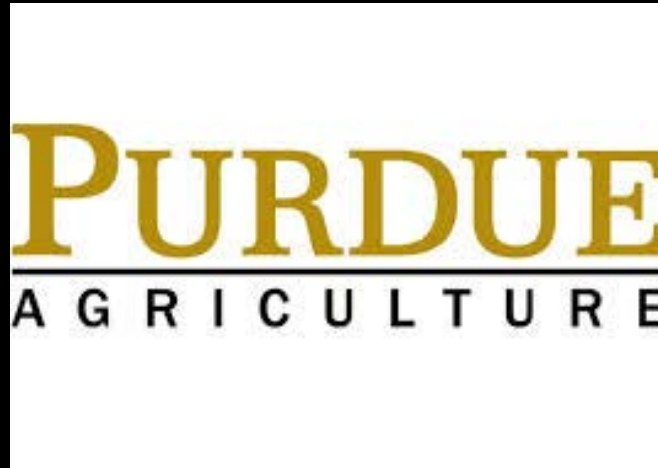

If you have trouble accessing this document because of a disability, please contact Media Instructional and Information Technology at miit@purdue.edu

CAWS GOALS

- Scientific excellence
- Ethical framework
- Leadership in communication
- Address contentious social issues
- Inform policy
- Explore effects of the human-animal bond, our obligations to animals, and their evolving roles in society
