**The Establishment of the Alumni Faculty Award
for Excellence in the College of Veterinary Medicine**

This Faculty Document rescinds and supersedes FAC. DOC. 82-4, dated 2/9/82, titled: The Establishment of an Alumni Distinguished Faculty Award in the College of Veterinary Medicine.

Background: The Purdue University College of Veterinary Medicine Alumni Liaison Committee meeting in regular session on 24 October 1981 recommended that a Distinguished Faculty Award be established. Independently, and shortly thereafter, Dr. and Mrs. Carl Osborne (PUR '64) made a cash contribution to the College, the interest from which was to "...be used to foster academic excellence and scholarship by collegiate faculty." In both instances, the recommendation was that the faculty member be identified and publicly recognized annually for performance excellence by a suitable award mechanism. The Administrative Group of the College, after considering these recommendations in detail, favorably accepts them and recommends the establishment of The Alumni Faculty Award for Excellence.

Eligibility:

1. All voting faculty members of the PVM are eligible.
2. Recipients of the award shall remain ineligible for reconsideration.

Criteria for Selection:

1. Any number of eligible faculty members may be nominated to the Selection Committee.
2. There shall be not more than one award per year.
3. Criteria for selection are the judged performances and contributions in one or more of the following:
 - A. Research, scholarly, or creative endeavors
 - B. Instruction and related activities
 - C. Public and professional services and relations

Procedures:

1. A nomination form will be developed and distributed to the PVM voting faculty by the dean at the end of each calendar year.

4. All nomination materials will be duplicated and distributed to the Selection Committee within two weeks following the due date in the Office of the Dean.
5. The Selection Committee shall be the Selection Committee identified to consider nominations for Distinguished Alumni Awards (two members selected from and by the Alumni Liaison Committee; two members selected by the PVM Faculty Committee; the dean (or designee), who shall chair the committee; and one additional member selected by the Administrative Group of the PVM). This committee will consider all nominations reaching it and will act in time to have the necessary materials prepared for presentation at the Annual Conference.
6. In case there are no nominations, or, if in the opinion of the Selection Committee, none of those nominated qualify, no award will be made that year.
