

As you reflect back on your time as a student at Purdue Veterinary Medicine, one of the most pivotal times was the White Coat Ceremony during your third year. There is something transformative about walking across the stage and putting on your white coat. It is such a life-changing moment for PVM students that we are reaching out to you to once again be a part of such an honored day.

YOU have the opportunity to serve as a benefactor for a white coat that a student will receive during the White Coat Ceremony.

Your gift of \$100 will go towards the purchase and PVM embroidery of a student's white coat. Additionally we ask that you write a personal note reflecting back on your experience as a PVM student, memories you made with fellow students, and words of encouragement as these current students enter their final year at the College of Veterinary Medicine. These notes will be placed in a white coat pocket for the student to read after they receive their coat.
