Vet Up! Champions is a career exploration program delivered by the Purdue College of Veterinary Medicine. The program will educate students from underserved backgrounds on the field of veterinary medicine via:

- Twice monthly virtual learning sessions on:
  - Important topics: animal welfare, human-animal bond, the opioid epidemic, etc.
  - College & veterinary school admissions
  - Career options, including shortage areas: public health, food safety & rural practice
  - Professional development, financial planning, self-care & wellness topics
- A two-day campus visit in the summer at Purdue University, including:
  - A tour of campus & the veterinary teaching hospitals
  - Face-to-face information sessions
  - Hands-on animal experience

Will you be a high school junior or senior, undergrad freshman or sophomore, or an adult learner without a bachelor’s degree for the 2023-24 academic year?

Are you a racial/ethnic minority, low-income, first-generation college, and/or rural student?

Are you interested in the field of veterinary medicine, the careers involved & the path to get there?

If you answered yes, Purdue Veterinary Medicine’s Vet Up! Champions might be for you!

Attend a virtual information session to learn more: eligibility, program details, financial support & how to apply.
