

**V** is for  
**Veterinary  
Medicine**

Illustrated by Hanna summer campers

# A is for Army

Army veterinary teams care for military animals like dogs and horses, and keep food safe.

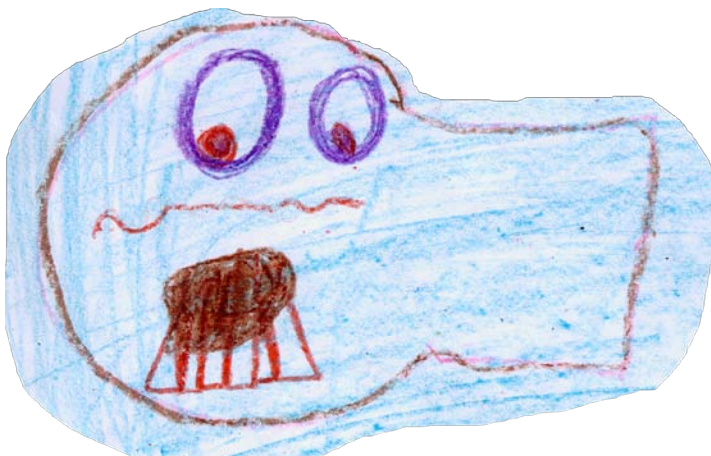

# B is for Behavior

Veterinary teams can help animals learn to behave.

**C** is for

# Companion

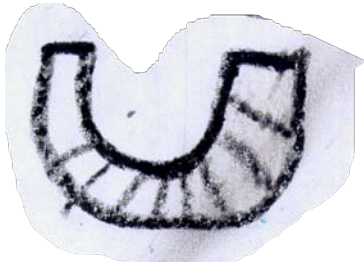

**Dogs, cats and  
horses are  
our friends  
and companions.**

**D** is for

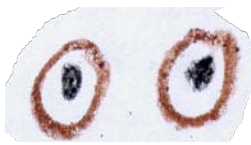

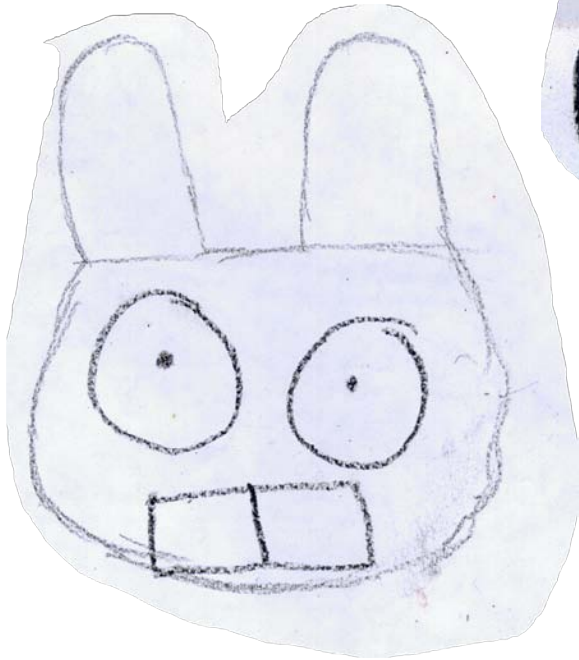

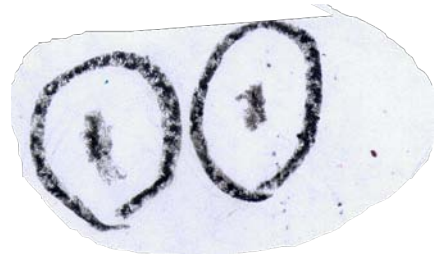

# Dentist

**Animals have  
dentists to keep  
their teeth clean and  
healthy.**

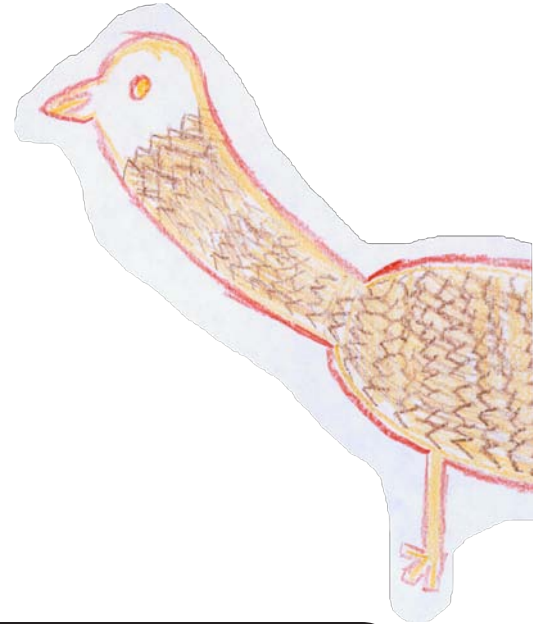

# E is for Eyes

**Animals have  
eye doctors too!**

# F is for Farm

**Veterinary teams care for farm animals like pigs, sheep, goats, cows, and chickens. What kinds of animals can you see?**

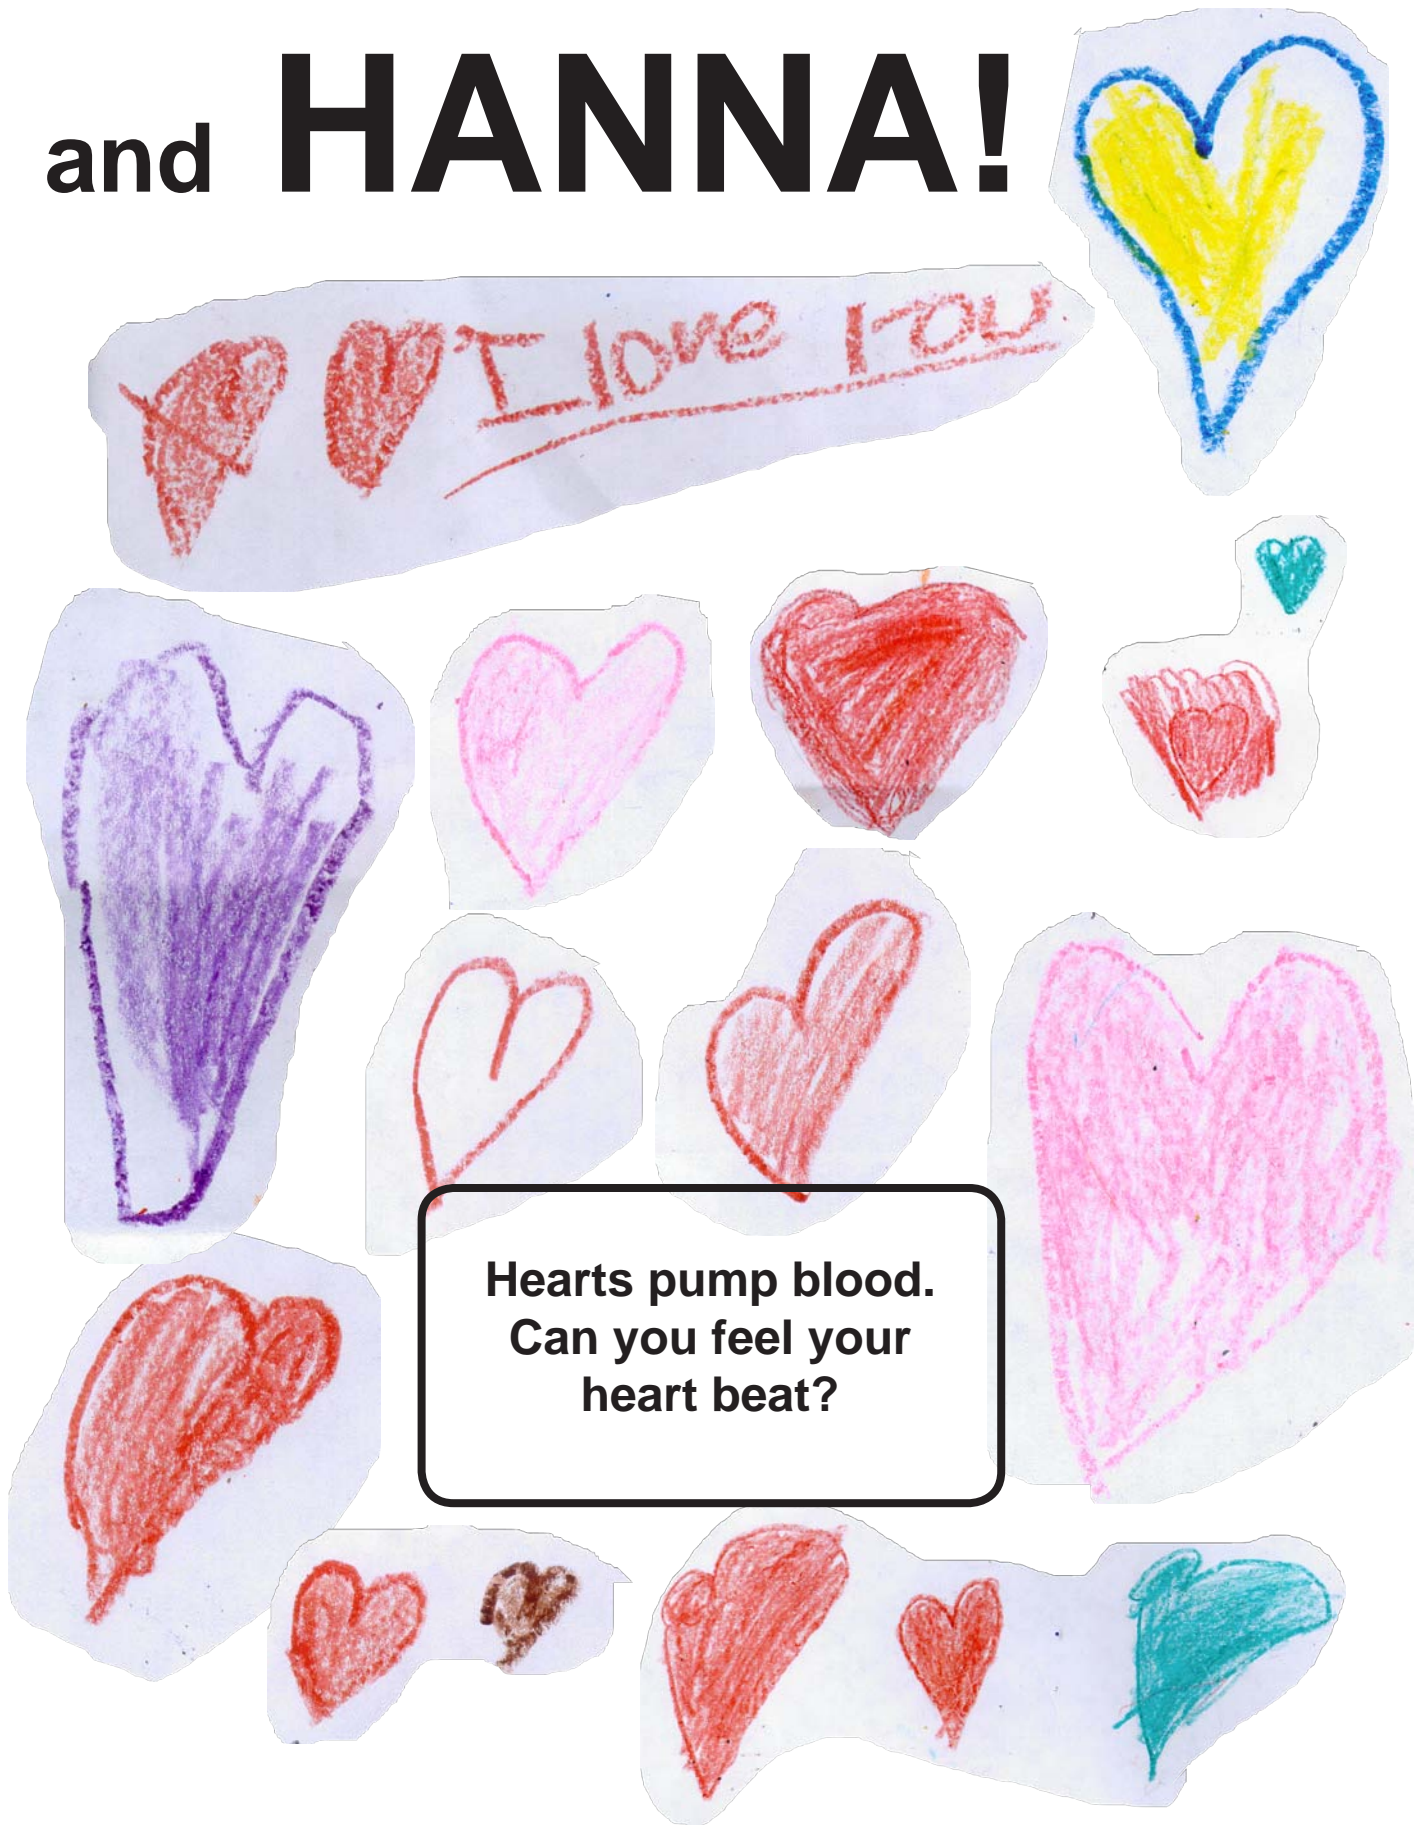

# G is for Germs

**Germs can make animals sick.  
Did you wash your hands today?**

# H is for Heart and HANNA!

Hearts pump blood.  
Can you feel your  
heart beat?

# I is for Imagine

that you are part of the  
veterinary team.

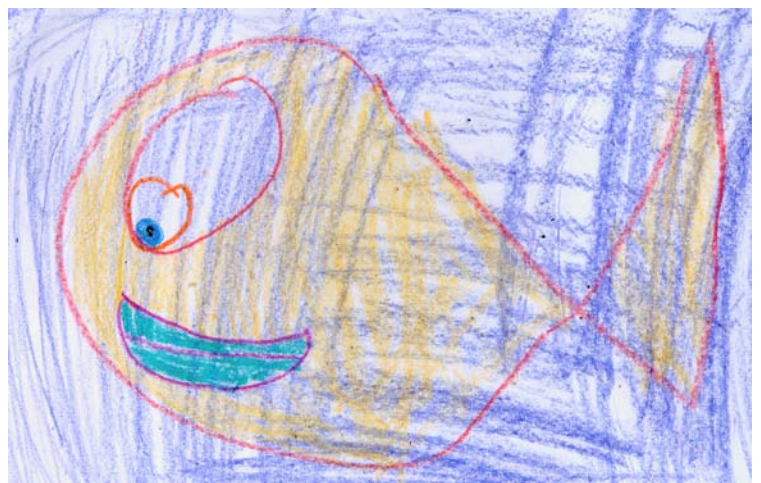

# J is for Jobs

**There are many different jobs in veterinary medicine. How many can you name?**

**K** is for **Keep on**  
**trying** until you reach  
your dreams!

# L is for Look

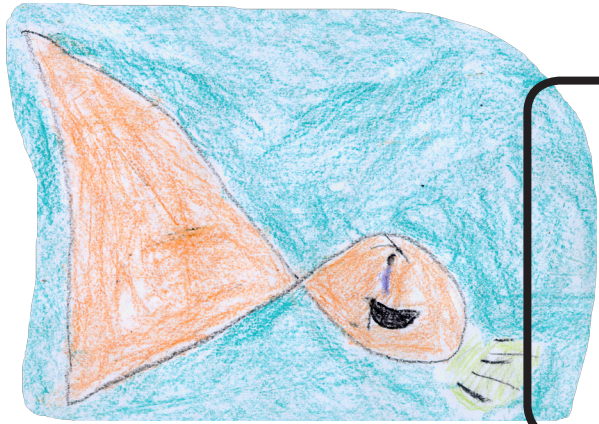

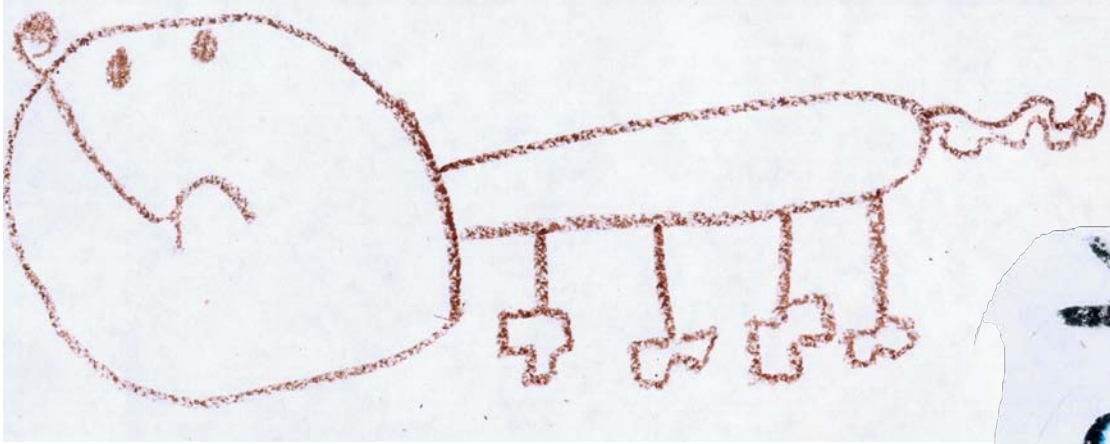

You can look inside a horse with a special camera.

If you look inside an egg you might see a baby chick.

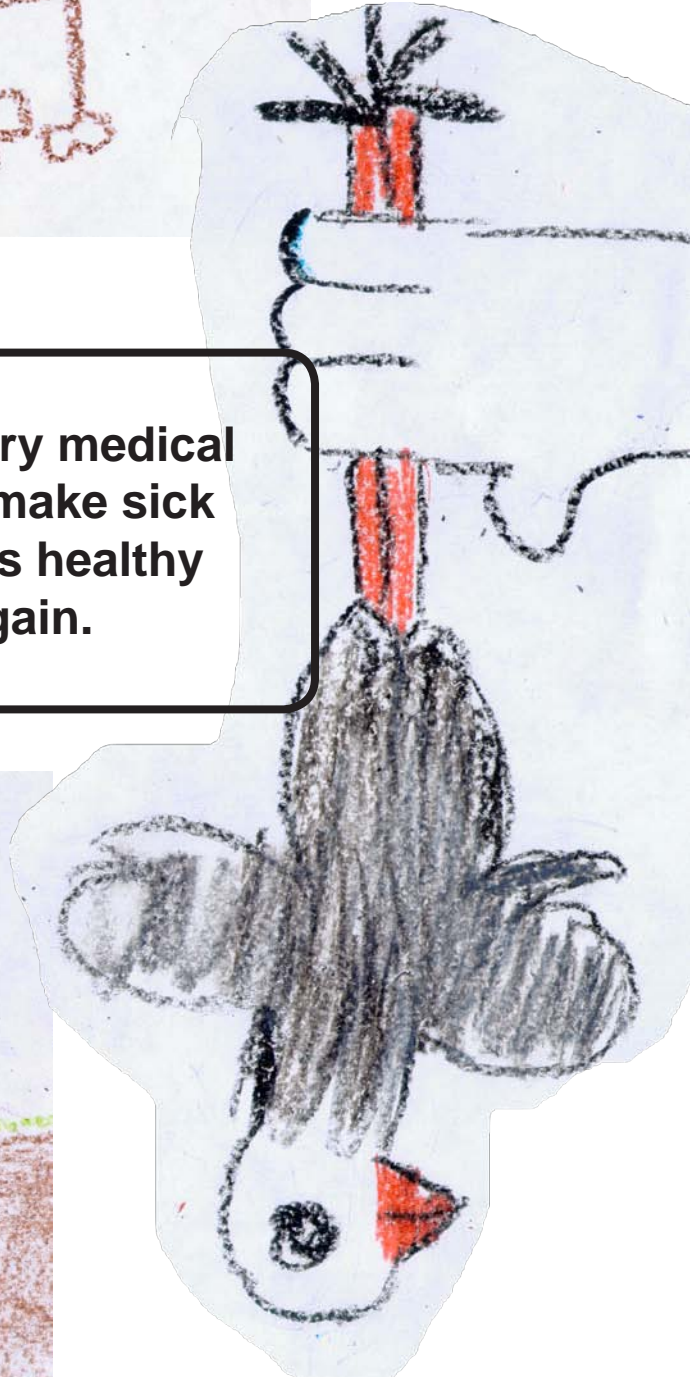

# M is for Medicine

**Veterinary medical teams make sick animals healthy again.**

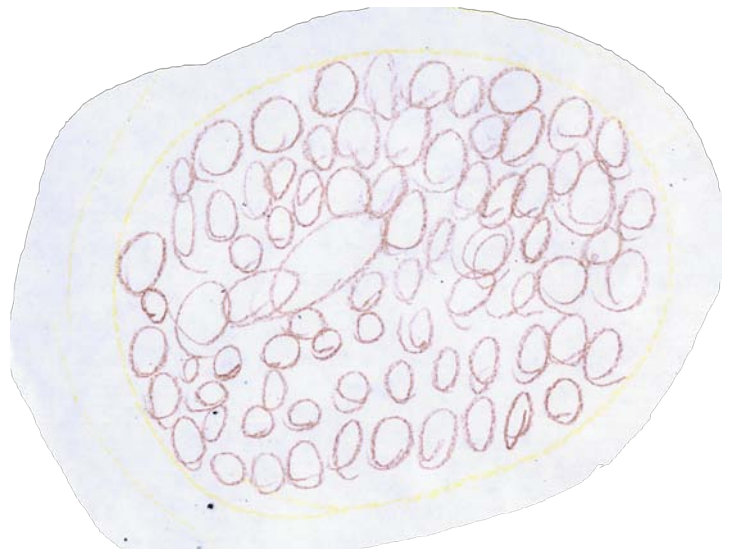

# N is for Nutrition

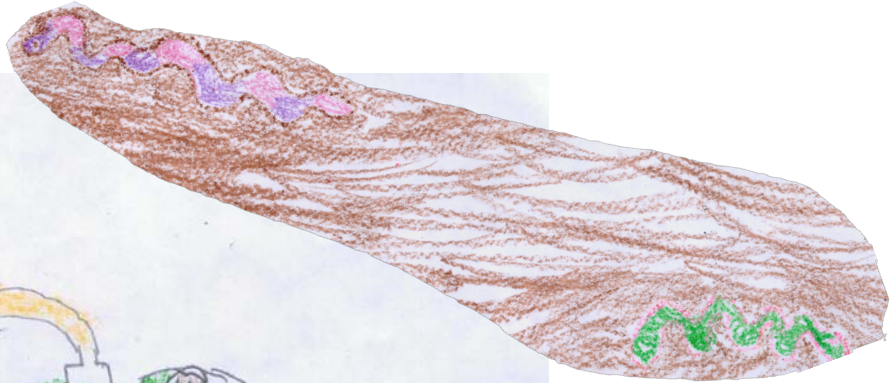

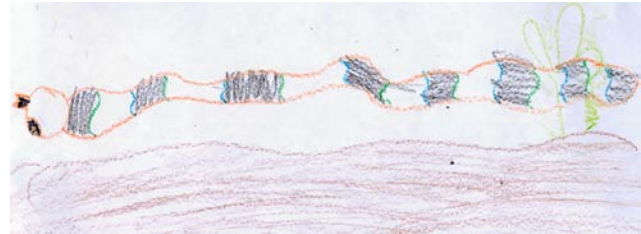

**Eating well  
keeps animals  
healthy!**

# O is for “Oh My, It’s a Snake!”

Some veterinary teams specialize in snakes, lizards, turtles, and frogs.

# **P** is for **Purdue**

**Go to Purdue  
School of Veterinary  
Medicine to learn to  
be part of the  
veterinary team.**

# Q is for Quiet!

I am reading  
about  
veterinary  
medicine.

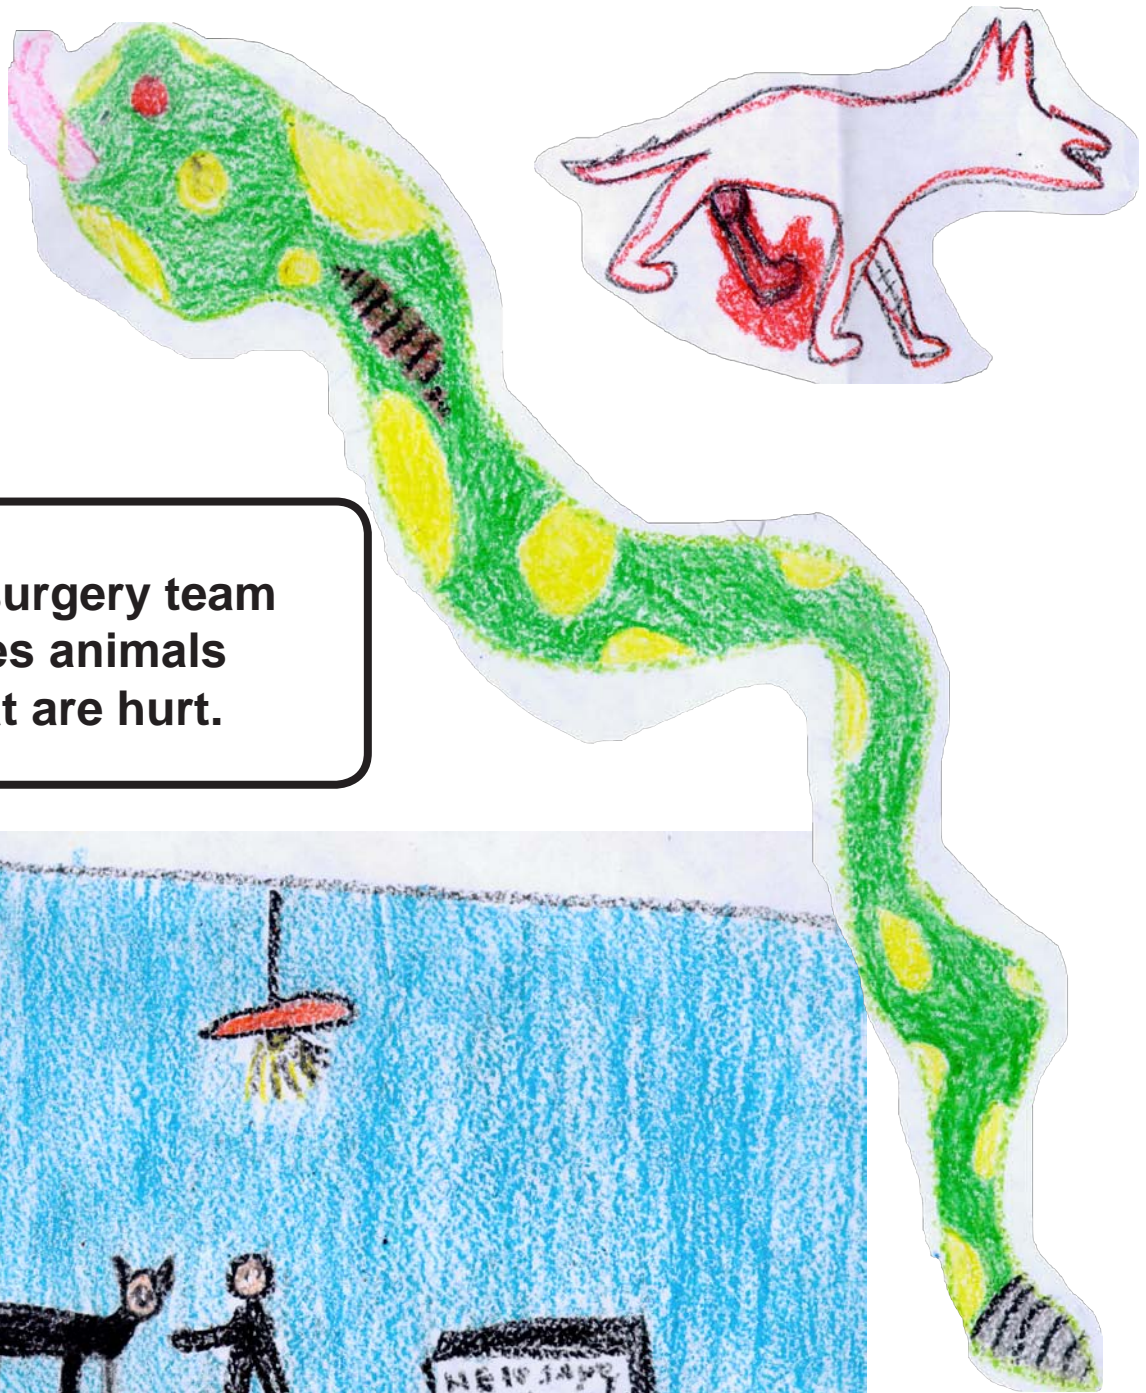

# R is for Research

**Veterinary teams do research to keep people and animals healthy.**

# S is for Surgery

The surgery team  
fixes animals  
that are hurt.

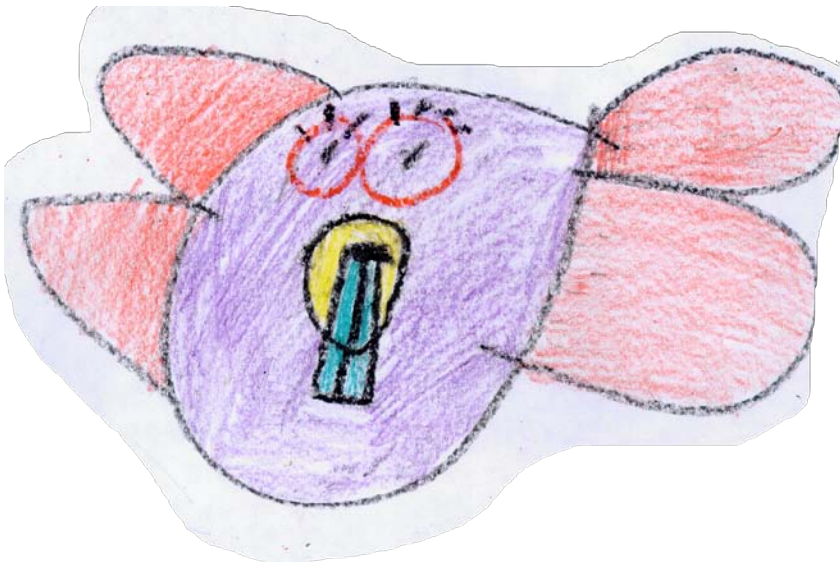

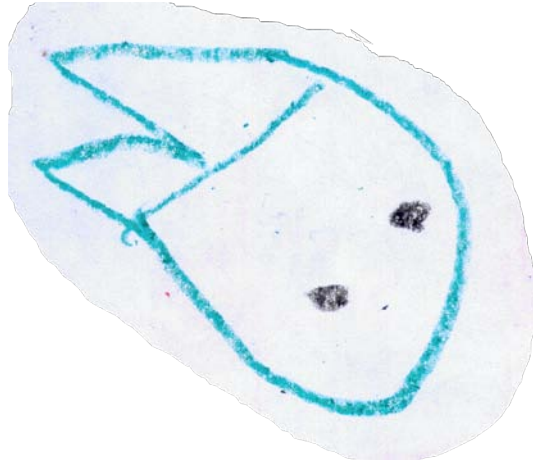

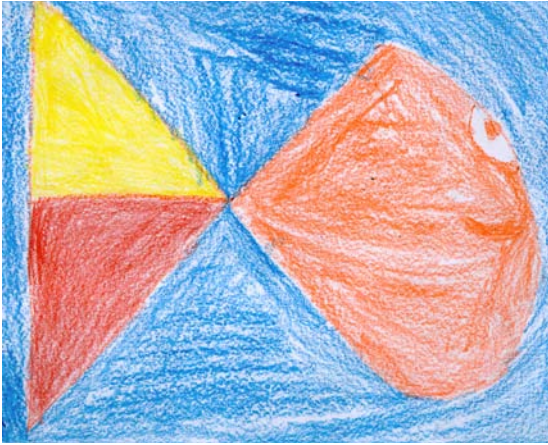

# T is for Team

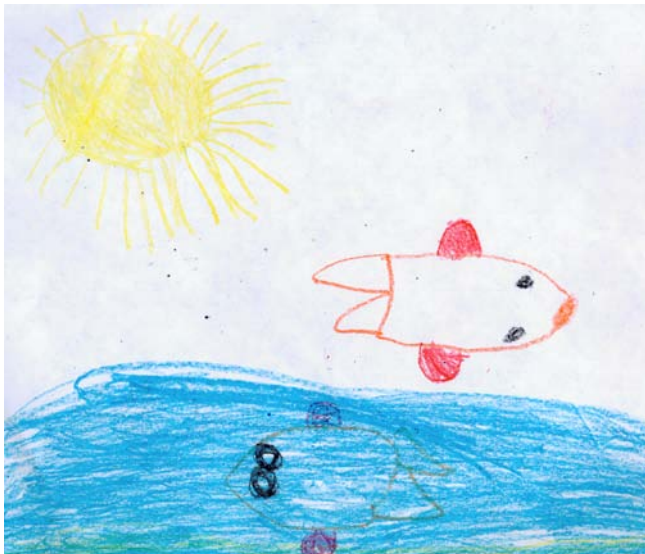

# U is for Under

**Even fish that live  
under water  
can visit  
the veterinary team.**

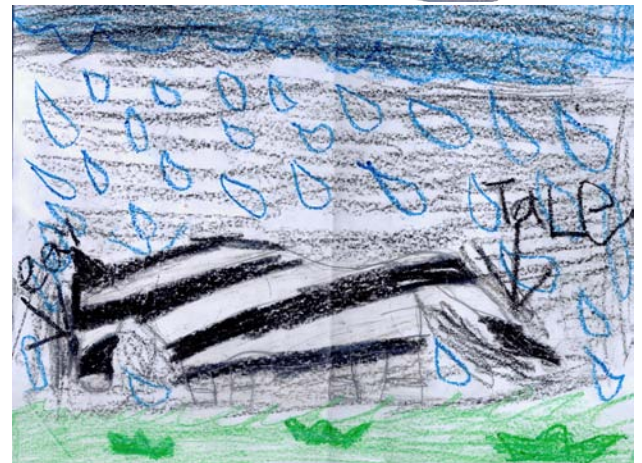

**V** is for

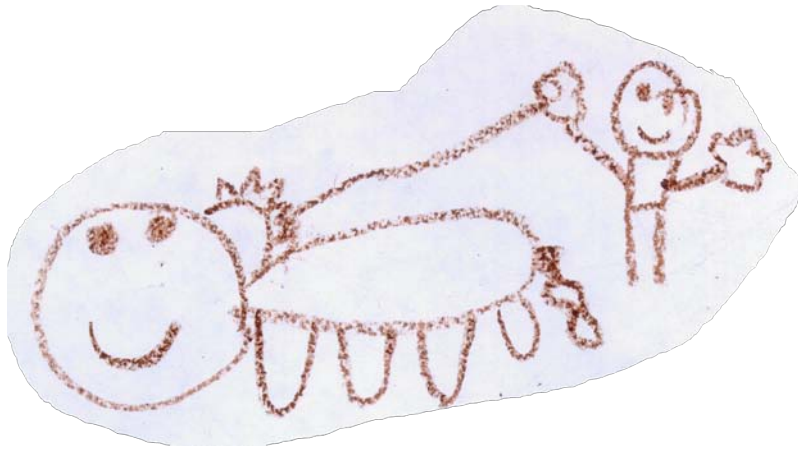

**Veterinary**

**Medicine**

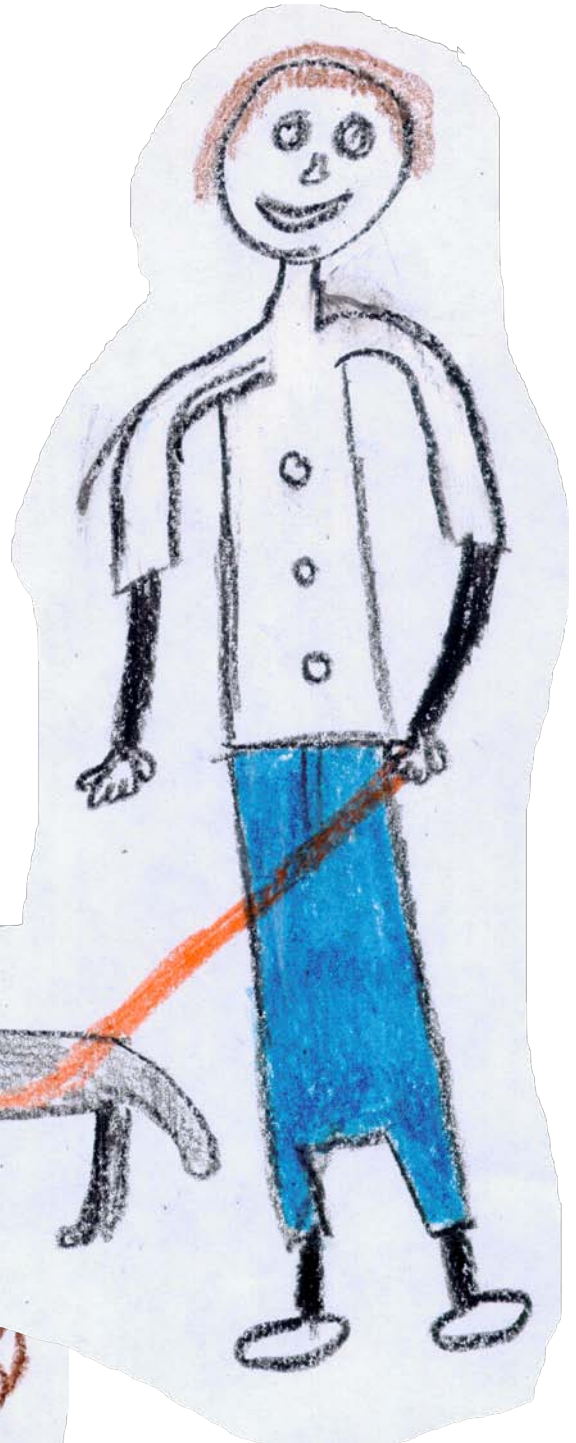

# W is for Walk

Walking is good  
exercise for  
you and your dog.

# X is for X-ray

X-rays are used to look  
inside animals.

**Y** is for **You can** be  
part of the veterinary medical  
team

# Z is for Zoo

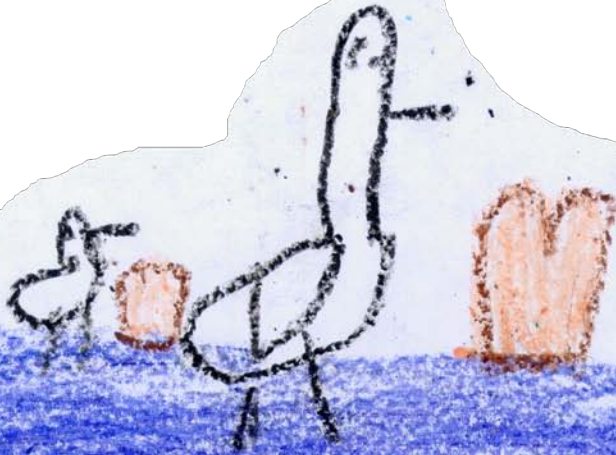

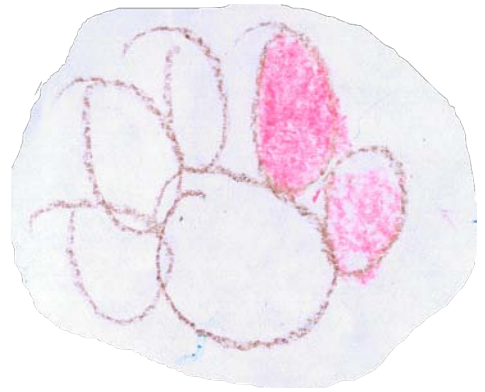

Some veterinary teams work at zoos. Can you name all the animals?

# The End
