CLINICAL MENTORSHIP SUPERVISOR AGREEMENT

For validation and accreditation purposes, each Clinical Mentorship site must have a designated supervisor who will verify that the VTDL Student has performed each task. The Clinical Mentorship site supervisor must be a licensed veterinarian or a credentialed veterinary technician. The student may have more than one supervisor, providing they meet this requirement and have completed individual Supervisor Agreements.

I agree to supervise the Purdue University Veterinary Technician Distance

Learning Student _____,
printed name of VT-DLP student
